<http://linkedin.com/in/chandra-mouli-kante>

PERSONAL PROFILE

Technology & innovation driven professional with capabilities in executing prestigious academic projects within strict time schedule; targeting to express potential in **Cloud DevOps & SQL Development** with an esteemed organization; preferably in Hyderabad and Bengaluru.

CORE COMPETENCIES

DevOps Engineering
Build & Release Management
Cloud Infrastructure
AWS/ Azure Architecture
Solution Delivery
Software Development
Stakeholder Management
Automation
Data Analysis & Governance
Requirement Gathering
Data Mining & Insights

TECHNICAL SKILLS

SQL
Python Programming
AWS Cloud
Cloud Services,
Python Automation
Open Stack Cloud
DevOps Tools
Git, GitHub
Linux
Shell scripting

EDUCATION

2022: Bachelor of Technology (B.Tech.) Computer Science & Engineering from Aditya College of Engineering and Technology with CGPA - 7.6

2018: Intermediate(M.P.C) from Aditya Junior College with 93%

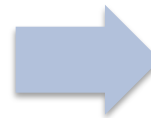

PROFILE SUMMARY

- AWS Certified Cloud Practitioner, leveraging over **1** year of experience in Infrastructure support and Migration activities on various environments including **Amazon Web Services, Azure & DevOps**.
- Excellent aptitude in supporting the **advancement of DevOps**, creating new environments & customizing application infrastructures.
- Highly skilled in **constructing, executing, and migrating** software release builds & deployments to cloud based infrastructure.
- Distinguished capabilities seen to define, design & implement DevOps end-to-end solutions and transformations covering **CI/ CD** for integrated lifecycle management.
- Resourceful in establishing & **nurturing strong rapport with key clients** /stakeholders and formulating suitable products as per their requirements.
- **Creating technical solution designs** after performing IT infrastructure architectural assessments; developed work products like technical solution design documents, architectural overview diagrams, operational models, and deployment models for IT infrastructure engagements.
- **In-depth knowledge** of Public Cloud, Private Cloud, Hybrid Cloud, Infrastructure as a Service (**IAAS**), Platform as a Service (**PASS**) and Software as a Service (**SAAS**).

WORK EXPERIENCE

Since Nov'21 with Calsoft Private Limited (Dell EMC)

Nov'21 to July'22
Internship Trainee

Jul'22 to Jun'23
Development Engineer

Client: DELL EMC RHOSP

Key Result Areas:

- Ensured the **DevOps implementation** for clients.
- Coordinated with internal & vendor executives and key stakeholders to identify **business needs & develop winning solutions**.
- Aligned IT processes with ITIL by installing and following incident & problem management techniques.
- Adhered to service level agreements, evaluating risks, costs, resource requirements, schedules and submitting delivery opinions; crafting & reviewing SLA (Service Level Agreement) and OLA (Operational-Level Agreement).
- Managed code deployments, fixes, updates, and related processes.
- Participated in development & implementation of procedures for system **troubleshooting and maintenance**.
- Extended assistance to the other department engineers in curating **practical demonstrations** of proposed solutions.
- Worked closely with engineering professionals within the company to maintain hardware and software needed for projects to be fulfilled efficiently.
- Conducted **regression test** on newly added firmware for Dell hardware.
- Built ironic-tempest-plugin for automating test cases using the **tempest framework**.

2016: Secondary School Certificate (SSC) from Sri Venkata Naga Public School with GPA - 9.8

CERTIFICATIONS

AWS Certified Cloud Practitioner
Cisco Certified Network Associate (CCNA)
Microsoft Technology Associate:
Certified Python Programmer

SOFT SKILLS

Multitasking
Time Management
Attention to Detail
Accountability
Documenting & Reporting
Communication & Collaboration

- Developed and maintained Python automation scripts to streamline and automate manual tasks, resulting in significant time and cost savings.
- Collaborated with project managers to ensure project deadlines were met and deliverables were completed within the scope.
